DI SANTACHIARA

GRAPPA

White grappa distilled from the vinaccia of Vernaccia.

Pomace: Vernaccia di San Gimignano DOCG **Distillator:** Distilleria Nannoni **Distillation:** Steam distillation takes place not later than 24 hours after the racking using a discontinuous distillation method with low degree copper columns. Every phase is controlled by the Master distiller, who takes care of eliminating the very first and the very final materials coming out from every phase.

Organoleptic notes: transparent, limpid color. Fresh vinaccia aroma. Balanced to the palate, it confirms the aromatic sensations.
